

Full Pool Service

What we do:

Once a week

- ✓ We test your water and add chemicals
 - ✓ We keep your pool water healthy
- ✓ We inspect your pool equipment for leaks
- ✓ We empty your pump and skimmer basket
- ✓ We verify your automatic pool cleaner
 - ✓ We brush pool walls, tile and steps
 - ✓ We net pool surface and floor

**All prices vary by size of pool*

What your plan includes:

- 📺 Automatic enrollment to sophisticated pool software report that shows real-time data of your pool!
- 🔑 Weekly pool/spa service reports that include chemical values and pictures of your pool
- ✓ 4 weeks of pool service maintenance

All you do is:

- 💧 Maintain proper water level
- 👷 Report any observation of swimming pool issues
- 🔑 Keep the pool equipment operating and approve repairs as needed
